POINCARÉ'S FOREIGN POLICY.

REPARATIONS DOMINATE EVERYTHING.

GENOA CONFERENCE THREAT.

PARIS, January 19.

M. Poincaré, in a statement of his policy to the Senate and Chamber of Deputies, said: "We should be very happy if the Anglo-French pact, which is destined to consolidate peace, were shortly signed. We have no doubt that it is to the benefit of both that it should be concluded on a footing of perfect equality and maintain intact the treaty guarantees. At the same time we must confer with Italy and Britain with a view to endeavouring to prevent a resumption of the Turkish and Greek hostilities in the East in order, in accord with our allies, to reap the advantages of the Angora convention, and finally to bring peace to the gates of Europe, so enabling us more freely to carry out our mandate in Syria."

CANNES PROTOCOL.

In conclusion, M. Poincaré declared that the reparations problem dominated everything. If Germany did not meet her obligations it was the opinion of the Reparations Commission that measures must be considered, including the establishment of effective control over Germany's budget, paper issues and exports, while, so long as disarmament and punishment of war criminals were not carried out existing sanctions must be retained and fresh ones taken.

Referring to the Genoa Conference, M. Poincaré said that France would insist before any discussion on acceptance or refusal by the delegates of the conditions of the Cannes protocol and upon there being no direct or indirect discussion of treaties. Failing definite guarantees in this connection France would be obliged to resume freedom of action. He concluded by appealing to Parliament to uphold the rights of France.

CHAMBER'S CONFIDENCE VOTE.

PARIS, January 19.

The Chamber of Deputies passed a vote of confidence in the Government by 472 to 107 votes.

CHINESE RAILWAYS.

WASHINGTON RESOLUTION ADOPTED.

INQUIRY INTO TREATIES.

WASHINGTON, January 20.

The Far Eastern Committee adopted substantially as presented the British and American resolutions cabled yesterday regarding Chinese railways. It then took up existing commitments which is the last item on the agenda. The committee agreed that all the nations represented at the conference should furnish the committee with a list of their treaties and agreements both secret and open relating to China.

SENSITIVE JAPAN.

WASHINGTON, January 20.

Japan has renounced Japanese rights over the former German cable at Kiaochow.
It is reported that any direct reference to the 5 5 3 capital ship ratio has been omitted from the final draft of the naval treaty owing to Japanese sensitiveness, although the ratio has been indirectly provided by specified tonnage figures.

POPE REPORTED BETTER.

WELL AGAIN IN A FEW DAYS.

ROME, January 19.

A reassuring bulletin has been issued regarding the condition of the Pope who is expected to recover in a few days.

[An earlier cable stated: The Pope is ill with influenza. Some anxiety is felt owing to his temperature having reached 104. Complications are feared.]

GREAT MANILA FIRE.

THIRTY-TWO BLOCKS DESTROYED.

12,000 PEOPLE HOMELESS.

MANILA, January 20.

The greatest fire since the American occupation has occurred. Thirty-two blocks of houses have been destroyed and 12,000 people are homeless.

BITUMINOUS COAL INDUSTRY.

COMING AMERICAN STRIKE.

WASHINGTON, January 19.

Mr. Hoover declared that the strike appears set for a general strike in the bituminous coal industry at the end of March when wage contracts expire.

MYSORE WELCOMES PRINCE.

WONDERFUL RECEPTION.

EXERCISING THE EVIL EYE.

LONDON, January 19.

Breaking his journey for a few hours at Bangalore where he reviewed the garrison and attended a party, the Prince of Wales on Thursday morning arrived at Mysore. It is estimated that 50,000 people from surrounding villages from far and near swelled the inhabitants giving a wonderful welcome. Mysore has long boasted that its crowds need no policing and this trading was splendidly vindicated to-day. A pretty little ceremony during the citizens' address of welcome in a great shining pandal was the exercising of the evil eye. A procession of young girls moved slowly past the Prince chanting a low refrain whilst gorgeously robed pundits recited prayers in Sanskrit. Exchange of ceremonial visits with the Maharaja occupied the rest of the morning. The Prince will spend four comparatively quiet days in the bracing air of Mysore, visiting a shooting camp at Karapur where a tiger hunt may be arranged.

BANQUE INDUSTRIELLE

REPORTED REFLATION SCHEME.

SAFEGUARDING DEPOSITORS.

PARIS, January 19.

The Banque Industrielle matter is soon to come up again before Parliament. According to *Le Petit Parisien* the refutation scheme provides for the apportionment of 320 million francs out of nearly 400 still owing on the score of the Boxer indemnity to depositors, small ones being paid fully in cash and large depositors receiving half in cash and half in shares in the new institution which is to replace the Banque Industrielle. The balance is to be used for redeeming the Banque's notes still outstanding. Further measures are to be resorted to should the above amounts prove insufficient. *Havas.*

PARIS, January 17.

Prince Ketachikawa, brother-in-law of the Japanese Emperor, has arrived at Paris where he is to study French institutions and naval and military organization. *Havas.*

CZECHO-SLOVAKIA'S OIL LAND.

AMERICAN CONCERNS 30-YEAR CONTRACT.

PRAGUE, January 19.

The Government has signed the contract with the Standard Oil Franco-American Company mentioned on October 15, the currency which will be 30 years.
[A New York message dated October 15 stated: The Standard Franco-American Company of Paris, which is a subsidiary of the Standard Oil Company of New Jersey, has been granted the exclusive rights of developing the oil lands of Czechoslovakia.]

CLAN LINE'S £1,500,000 LOAN.

LONDON, January 19.

The Clan Line is arranging to issue a loan of £1,500,000 seven per cent debentures. The price will be ninety-nine.

AUSTRALIA'S £5,000,000 LOAN.

QUOTATIONS STEADILY ADVANCE.

LONDON, January 19.

The £5,000,000 Commonwealth 6 per cent. loan was very amply covered when the list closed in advance of the appointed date. The market expects that subscribers will receive only a percentage of applications. Dealings commenced in the morning on quotations steadily advanced to about one per cent. premium.

PARLIAMENT'S DISSOLUTION.

CABINET'S UNANIMOUS DECISION.

LONDON, January 19.

Mr. Austen Chamberlain, addressing the Scottish Unionists at Glasgow, said that the unanimous decision of the Prime Minister and his colleagues whom he had consulted was that dissolution of Parliament was impossible until the legal establishment and equipment of the Irish provisional government had been completed.

SEARCH FOR OIL.

QUEENSLAND'S HOPES.

MELBOURNE, January 19.

Mr. Hughes is considering a scheme submitted by the Queensland Premier under which the Federal Government will co-operate with the Queensland Government in carrying out oil-boring operations in Queensland, and suggesting that the Anglo-Persian Company should put down three holes.

HOME TRADE.**MANCHESTER WEEKLY
MARKET REPORT.**

Messrs James F. Hutton and Co.,
Ltd., Manchester reported as follows
on Wednesday December 14:—

There is again not much change in
cotton prices, although they have
fluctuated considerably. News of

improving trade in the United States,
and increasing activity in textiles with
a better export demand for the raw

material, has helped towards a more
hopeful feeling and firmer prices.

This influence has however been more
than counteracted by the latest crop
estimate which has again proved to be

totally unexpected. In the first
place, the Census Bureau's Report of
cotton ginned up to the end of Novem-

ber was issued and attracted no more
than slight attention, as the total of
7,641,000 bales against 7,271,000 last

reported appeared to confirm private
estimates. Following this, however,
has been the preliminary final Bureau

estimate of the total American crop,
which has entirely upset even the
revised calculations. This places the

crop at a much higher figure than
anticipated, namely 8,340,000 bales
exclusive of linters, and emphasises

more than ever the erroneous nature
of the October estimate of 6,537,000
bales. Some light is thrown on the

cause of the Bureau's miscalculation
by the raising of the acreage figures
from 26,519,000 reported on July last,

to 31,427,000. The discrepancy is
also to be attributed to a small ex-
tent to the exceptionally favourable

weather for picking this year. What-
ever the full explanation may be
however, the publication of the present

figures created the utmost surprise in
the markets, and heavy liquidation at
once set in, causing a sharp break in

prices. It is unfortunate in the ex-
treme that the markets have been so
badly misled, but although fluctua-

tions may be expected for the time
being, it is to be hoped that the main
cause of values will follow. There is

no improvement to report in the state
of the Manchester market for al-
though there has been a rather better

enquiry, very little business has re-
sulted. Only small lots of cloth of a
miscellaneous character have been

sold; the aggregate being well below
production. A few sales are reported
for China, but practically nothing for

India beyond yarns. Prices are
slightly easier.

EARLIER TELEGRAMS.

(Reuter's Service to the China Mail.)

OPEN DOOR.

WASHINGTON, January 19th.
The Far Eastern Committee has adopted
the major portion of the proposal by
Mr. Hughes for the establishment of an
International Board to regulate existing
and future concessions in China. Action
by the Board is to be taken on the basis
of the fourth clause of the "Open Door"
which would subject the concessions
appearing in the list to other con-
cessions and the principle of the "Open
Door."

It is understood that the Japanese and
French delegates objected to the clause
and did not further discuss it, the
French suggesting an amendment to pre-
vent interference with existing conces-
sions. Baron Shidehara declared that
the "Open Door" was a principle of the
"Open Door" and that the Japanese
did not intend to withdraw from it.

The American proposal of a resolution
hoping that future development of the
railways in China would enable the
Chinese to effect their consolidation into
one Chinese controlled system with
provision for foreign financial and technical
assistance was accepted.

So Auckland Gables proposed a re-
solution opposing discrimination regard-
ing passengers and shipping on Chinese
railways on the ground of nationality
and providing reference of any disputes
to the international Board.

In the course of the "Open Door" dis-
cussion Sir Auckland Gables placed on
table a formal statement of the attitude
of the British delegation, saying: "It is
clearly understood that there is nothing
in this resolution which affects one way
or the other, the existing international
concession or any other form of volun-
tary cooperation among private financial
or industrial groups of the different
countries which may join together in a
scheme not involving monopoly or in-
fringement of the principles recognised by
the Conference in order to furnish China
with some essential service most efficient
and economically to be provided by
private effort."

When the French renewed, in the Far
Eastern Committee, their objection to re-
solving the whole field of concessions
in China through the fourth Article of
Mr. Hughes's resolution, Japan seconded
the motion. The Chinese reserved the right
to call up the question later, but the
general impression of the delegates is
that it is permanently settled and as far
as the Conference is concerned. Many
delegates opposed the provision on the
ground that it might lead to almost
endless enquiry as to validity and to a
maze of economic arrangements through-
out China. It is said on behalf of the
American Delegation that the eliminated
Article was not considered of vital im-
portance as the remaining provisions
of the examination of existing
concessions where both parties are
affected.

WASHINGTON, January 19th.
The Chinese and Japanese delegates
have reached an agreement whereby the
iron and coal mines in the Kwangchow
Leichow will be operated by a company
formed under a special charter by the
Chinese Government. The Japanese will
be permitted to invest capital in the
enterprise to an amount not exceeding
the Chinese capital.

SEAMEN'S STRIKE.

PARTIES REMAIN ALOOF

EMPLOYERS RECRUITING CREWS ELSEWHERE

RIVER STEAMER MOVE REPORTED FRUITLESS.

The strike of Chinese seamen entered upon its second week to day with both parties standing aloof from negotiation and adhering firmly to the "no-surrender" attitude they adopted yesterday. Neither the Union nor the employers had any fresh development to report this morning.

The Union issued a notification to its members last night asking them to combine together and with one mind, to stick to the idea of holding out until the 30-40 per cent increase they asked for originally is granted. The Union has also officially announced that the four delegates who have lately represented it are no longer empowered to act on its behalf and that the counter-proposal to the employers' offer is cancelled.

A STRIKE BREAKING MOVE.

Discussing the position with a *China Mail* reporter to day the Secretary for Chinese Affairs (the Hon. Mr. E. R. Hallifax) said that arrangements were being made right and left to recruit crews from other countries. The Shipping companies were endeavouring to bring seamen here from the North, from the Philippines, from Formosa, Japan and Malaya and Larcaus would probably be making an appearance here soon. This means, of course, that once these crews have been engaged the jobs which the strikers have vacated will be no longer open for them to return to.

COMMUNICATION WITH CANTON.

BRITISH CONSUL'S REPORTED ACTION.

The return of the river steamer "Kinslan" which left yesterday with an armed naval crew and is due to arrive back in Hongkong this afternoon is being awaited with considerable interest. It is known pretty definitely that she will not be bringing any supplies back with her and some light is thrown on the situation by a message from Canton which states that the British Consul there has refused permits for the shipment of cargo by river steamers. At present the reason for this action is not known but interesting developments may be expected.

CANTON GRIEVANCE.

ESSENTIAL INFORMATION FAILS TO ARRIVE.

Canton people complain that with the suspension of the river steamer service their interests have received scant attention. Business, they say, has been greatly hampered by the failure of roads to reach Canton with the latest exchange quotations, market rates and tones. "Possibly, writes one correspondent, 'the Hongkong Government and shipowners do not know such a place as Canton exists, so far as making any apparent effort to furnish essential information is concerned.' He then adds sarcastically that Canton is in latitude 23 and longitude 113, this for the information of those who 'would like to be interested in anything about Canton.' 'The general apathy,' he concludes, 'is simply astonishing and it seems incredible there should be such absolute incapacity for the Hongkong Government to deal with the situation as it exists.' But this, of course, was written before the Government organised the manning of river steamers by armed naval ratings.

SHIPPING POSITION.

AMERICAN VESSELS AND CHINESE CREWS.

The number of ships in the harbour this morning was increased to 133. It is reported that one Japanese liner which left Hongkong a few days ago met another Japanese vessel outside and took off the Chinese members of the latter's crew in order to prevent the newcomer from being drawn into the strike.

An interesting sidelight on the position of American vessels is furnished by the following clipping from a recent issue of the *San Francisco Chronicle*:— "Formal protest has been lodged by the Sailors' Union of the Pacific with the United States shipping board

REPULSE BAY STABBING.

QUESTION OF PROVOCATION.

Charged with having grievously wounded a comrade by stabbing him, a Chinese came before the Chief Justice and a jury at the Criminal Sessions to-day. He denied the charge and looked after his own defence.

The complainant said that the prisoner had often tried to borrow money from him. On the day in question he was in a match at Repulse Bay when the man again asked him for money. He refused and the prisoner immediately stabbed him, inflicting serious wounds. Other evidence disclosed that the complainant himself was a quarrelsome man and had been known to assault people. This lent colour to the prisoner's plea that the complainant was the aggressor and attacked him with a chopper first. The Crown decided to withdraw counts of wounding with intent to murder, and wounding with intent to do grievous bodily harm but on the remaining count of unlawful wounding the jury pronounced him guilty.

In sentencing the prisoner to twelve months' jail with hard labour the Chief Justice said the complainant's story struck him as improbable but the provocation which the prisoner undoubtedly received did not justify him in inflicting such grievous injuries.

SCHOLARSHIP AWARD.

The Registrar of the Hongkong University has received a cable from Shanghai stating that the Peace Memorial Scholarship in electrical engineering, which is valued at £1,215, has been awarded to Samuel Green who was educated in the Shanghai public school for boys. This scholarship, along with the scholarship for horticulture for which no award has been made this year are awarded by the Chairman and Secretary of the Shanghai Municipal Council as trustees of the request on the results of the Hongkong University matriculation examinations. They are tenable at any University in the world but can be won only by a scholar with British parent, of pure white descent on both sides whose father has lived in Hongkong for at least three years.

The tide tables for 1922 are out. The Harbour Office began issuing them to-day.

Three Chinese seamen, who were rescued from a raft 200 miles from the coast, were brought to Calcutta recently by the s.s. "Rikara" bound to that port from Australia with wheat, says the *Statesman*.

Owing to continued bad weather, salvage operations on the wreck of the Eastern Shipping Co's steamer "Perle" which foundered in a gale off the Langkawi in August last, has been temporarily abandoned, says the *Penang Gazette*. Prior to the stoppage of operations good progress was made. The salvage party was successful in clearing the forehold and the vessel was moved 30 degrees from her original position. The men with their gear and tackle are still in the vicinity of the wreck, and it is hoped that work will be resumed within a fortnight's time on the afterhold which has still to be discharged.

against the action of private companies operating Government passenger liners employing Chinese.

Action by the sailors' union began when Chinese were employed in the steward's department on these vessels. Agitation was renewed by the sailors' union in Seattle yesterday when 158 Chinese boarded the Government liner "Pine Tree State" in Seattle to be assigned to the steward's department.

In their protest, the sailors' union said that private lines were operating shipping board boats with unfair labor.

Officials of the sailors' union have been carrying on the fight against employing anyone but Americans on Government liners. The shipping board instructed the companies operating shipping board vessels to employ none but American citizens wherever practicable.

Private companies state that Chinese are the only ones suitable for the work in the steward's department and other domestic work aboard vessels.

The strike should have the effect of giving a big boost to the agitation.

What Lord Northcliffe Thinks of Tansan

OSAKA SHOSEN KAISHA,
On Board S/S Kuremat

November 8th, 1921.

Dear Mr. Clifford-Wilkinson,

I have now been drinking your Tansan for six weeks.

If you would look in Mr. E. V. Lucas's recent book, "Roving East and West," you will find reference to the quality of the water, which I thoroughly endorse. I have never enjoyed a mineral water so much.

I propose taking one bottle back to London with me.

Many thanks for your kind gift.

Northcliffe.

"GET TOGETHER."

SIR IAN HAMILTON'S ADVICE
TO EX-SERVICE MEN.

General Sir Ian Hamilton, in mail week opened the new club of the Puddington Branch of the British Legion at St. Stephen's-road, Bayswater.

Close upon two years ago, he said he presided over a conference which received deputations galore in connection with the fight which the ex-Service men waged to enable them to handle their own Field Force Canteen excess profits, and to have their own clubs. At the end it was agreed on a purely democratic basis to form one great Legion. "And then," said Sir Ian, "the pitch was quered at the last moment by people who are, I suspect, by now ashamed of their conduct."

"If you want to be remembered," he added, "get into a good club with good comrades. Get together. Once five million men get together into clubs they won't be forgotten."

NOTES AND COMMENTS.

TO-MORROW'S LEAGUE TEAM.

FIRST DIVISION.

Police v. South China, Kowloon ground.
"Ambrose" v. "Tamar," Navy "A" ground.
Kings v. "Curlew," Sookumpoo ground.
R.G.A. v. Kowloon, South China ground.
Kick off at 4 p.m. sharp.

SECOND DIVISION.

St. Josephs v. United, St. Joseph ground.
R.G.A. Res. v. South China "B," Sookumpoo ground.
Kings Res. v. Club Res. Club ground.
South China "A" v. Punjabis South China ground.
Kick off at 2.30 p.m. sharp.

I understand that having left the Colony on an extended cruise, the "Titanic" have withdrawn from the League. The Club—"Cairo" match may be brought forward to tomorrow. It so will be played on the Club ground; kick off at 4 p.m.

South China should win their match against the Police to-morrow. The latter team will not be at full strength. They have to find a substitute for J. Clark at right back, no easy matter. Pearson and probably Forbes will also be absentees. The Chinese will be at full strength.

The "Ambrose"—"Tamar" game should be fast and although the former team have improved in their play, I think the "Tamar" will have no difficulty in winning.

The Kings make their debut in Hongkong football to-morrow, when they meet the "Curlew" at Sookumpoo. If they play as well as their predecessors (The Wiltshires) they are sure to give their opponents a good game, anyway I wish them luck.

The Gunners meet Kowloon. The latter lost by the only goal scored at the last meeting and they will be out to reverse that result. On the whole however I think the Gunners will win.

If the Club meet the "Cairo" to-morrow a fast game should see the former win by a narrow margin.

In the Second Division games, I think the United should beat the College and the Gunners second string should have no difficulty in disposing of the Chinese "B" team.

I take it the King's second team will be out against the Club Res. If they have as good a second string as the Wiltshires, they should win.

The South China "A" team should dispose of the Punjabis, and the University "Curlew" Res. game should end in a draw.

Arrangements for the Shield Competition have now been made, and the first round is to be played on January 28. So far nine teams have entered, including two Chinese teams, and there is a possibility of four more entering. Some good games should be seen.

There will be at least one "dark horse" and if rumour is correct there is another Club saving its best players for this competition.

The Wiltshires have played their last game here. They have been a very sporty crowd, and have entertained the public in many branches of sport. We are sorry they are going but wish them good luck on their new station.

I.R.C. 2ND XI v. C.S.C.C. 2ND XI.

The following will represent the I.R.C. 2nd XI in their League match against the Civil Service C.C. 2nd XI on the Civil Service ground to-morrow (Saturday), at 2.15 p.m.:—E. Ali Moosdeen (capt.), E. DOZE DANCE.

GIRLS' CHINS ON BOYS' SHOULDERS.

A stir has been caused in the town of Nutley, New Jersey, on account of the action of certain parents in appealing to the School Board to stop alleged improper dancing at school entertainments.

One mother, describing what she saw at a students' dance, wrote: "I do not know what the dance was, but the students called it 'The Camel Walk.' The girls rested their chins on their partners' right shoulder, shut their eyes, and swayed to and fro. Some of them appeared to doze right off and remained without moving."

A girl student has replied that in school the students are taught folk-dances which, "if we danced them in public, would cause us to be arrested."

ELLIS KADOORIE SCHOOL.

DISTRIBUTION OF PRIZES.

Mrs. Claud Severn distributed the
prizes to the successful students of
the Ellis Kadoorie (Chinese) School
at noon to-day. There was a large
attendance of friends of the school,
including Sir Ellis Kadoorie, the Hon.
Dr. Claud Severn, C.M.G., LL.D., the
Hon. Mr. Lau Chu Pak, Mr. E. Ralphs
(Inspector of Schools) Miss Cooper
and many other ladies.

REPORT—1921.

The headmaster, Mr. R. E. O. Bird,
read the report as follows: Mr.
Mycock was in charge of this school
from January to September 1921.
I found on my return at the school
had made very satisfactory progress.
This was evidenced by the success of
the boys in the 4th class examination
held in December by a board of
examiners. The school had also kept
up its old activities and even added
to them, especially in the formation
of a scout troop. Mr. and Mrs. My-
cock are going on leave on Jan. 24
and they will carry with them the
heartiest good wishes from the Staff
and the boys for their well deserved
holiday. For several months the
school was one master short owing to
the serious illness of Mr. Yeung Kong,
who was unfortunately enough to get
paratyphoid. He was twice given
up as beyond recovery, but
I am glad to say that he is now
back among us. Recent additions to
the Staff are Miss Blair, Miss
Etherege and Mr. Evans. I am look-
ing forward to rapid progress among boys
under their tuition.

Art teaching was an innovation in
the school introduced in October
upon the arrival of Miss Hall. We
have not had time yet to judge the
effects of it, but I believe it is for
the good of the school and hope to see
great results in the future from the
combination of her teaching and the
stimulus which you, Sir, have so
kindly and generously given to the
study by awarding and personally
judging two prizes for this subject.
The walls of many class rooms which
are adorned with paintings by the
boys of the school are a witness to the
practical effects of your encourage-
ment of art.

We have continued to attach much
importance to the teaching of collo-
quial English and we utilize the great
natural abilities of the Chinese by the
recitation of dialogues. Another
feature of the school is the number of
model lessons given in this hall.
These are instructive to the boys and
helpful to the teachers as they are able
to get many hints from one another
and from other critics as to the best
methods of teaching.

The maximum enrolment in 1921
was 593 and the average attendance
527.

Mr. Ng Fung Chan has been in
charge of the Vernacular Classes. He
informs me that very good work has
been done and much better results
obtained. Model lessons are given by
the Vernacular Teachers in the Hall
by which both Teachers and pupils
benefit and much information, un-
obtainable from text-books, is given
orally.

Mr. Cheng Kai In has acted as
librarian. This post entails a great
deal of work and I am pleased to say
it has been well carried out. There
are now 1,511 volumes in the
library. The increase during 1921
was 326 volumes of which 223 are
English and the remainder Chinese.
The average number of boys reading
in the library during out of school
hours is about 50, so it is evident
that it supplies a real want.

216 boys were examined by Dr.
Valentine during the year. Spectacles
were prescribed for 31 boys or 14.4
per cent. The general health of the
boys was good. A regular medical
inspection of the school once a month
would be beneficial.

The Boy Scouts were formed in
March. This was the first Chinese
troop of Boy Scouts formed in Hong-
kong. They were at first under
Scoutmaster Cheah of the Hongkong
University. He was supported by

Assistant Scoutmasters Law Kwan
Shan, Ng Chung San and Lu Po
Shan, who devoted much of their
spare time to teaching the troop.
Scoutmaster Cheah resigned in
December as he was unable
to devote sufficient time to the troop
and Mr. Lam Kwan Shan was ap-
pointed Scoutmaster in his place. It
has been found difficult to make as
much progress as we desire owing to
the lack of trained patrol leaders.
The troop has now been reduced from
80 to about 40 boys and as the patrol
leaders are gradually learning this
work and showing great keenness we
hope that it will soon be thoroughly
efficient. Mr. Waldegrave, the Com-
missioner has very kindly taken them
out several times in the "Dayspring,"
and helped them in their training.
Two of them recently made a trip
down to Borneo in H.M.S. "Pearl."

In games we have concentrated
on volley ball and swimming. The
small boys team won the V. B. Cup
for the 7th time in succession thus
winning it outright. In the District
School Sports, Mok Tai Chuk won
the Championship. In swimming, a
sport to which we pay very great
attention at the I. K. A. F. Aquatic
Sports we gained 1st, 2nd and 3rd
prizes. Out of a total of 43 prizes
22 were gained by present and past
pupils of Ellis Kadoorie School.
Three of our old boys went up to
Shanghai for the Far Eastern Olympic
contests.

Boxing is carried on twice a week
under Sergeant Marriott through the
winter months. Two boys were
chosen to give an exhibition at the
Kowloon Fete and several others are
capable of giving a good display.
Progress is rather handicapped by
irregular attendance.

Our best thanks are due to Mrs.
Severn for so kindly coming here to
give away the prizes and to Dr.
Severn for the great encouragement
he has always given to the school.

I beg to thank Sir Ellis Kadoorie for
the support he has given to the school
that bears his name and the Hon. Mr.
Lau Chu Pak for his interest in our
work.

Our thanks are also due to Sir
Robert Ho Tung, Mr. Li Ping, The
Commercial Press, Messrs Cheong Sun
for donating prizes.

In conclusion I beg to thank the
Staff for their ready support in all
that concerned the welfare of the
school and to wish them a Happy
New Year holiday.

"THE QUAINTS."

"PATCHWORK" ANOTHER
CAPITAL SHOW.

"Laugh and grow fat" might well
be transposed these cold nights to
"laugh and get warm." Last night's
experiment at the Theatre was entire-
ly successful. One forgot the cold in
the enjoyment of a programme which
lacked nothing in originality, artistry
and the one hundred and one
things which serve to make
an entertainment go with vim
from start to finish. "Patchwork"
Mr. Salisbury dubbed it. It was a
patchwork of glowing colours. Sides
ached with laughter and tears of mirth
were not unknown. Salisbury and
Fane may not earn medals for
singing, but as exponents of
fresh and crisp humour they
deserve something more than silver
baubles. Guy Fane as a modest
Jazz band drummer has no equal,
whilst Salisbury as a Conductor
resplendent in red coat and a do or die
expression showed what can be done
when you really understand Jazz.
There was also that piece of sustained
fooling, "Alf's Coffee Stall,"
wherein was explained that
an optimist might be likened to
a Scotsman in New York with a
corkscrew! "Punch" is said to find
it difficult to be funny once a week.
The Quaints do not find it to be so
once a night. We like the blending
of it all. "Mavis French Sings,"
modestly says the programme against
item No. 4, or "Dorothy James
and a Piano" at No. 8
"Jessie Hitter is a success at
the dance" proclaims No. 9, and a
volume of applause which must
gladden the heart of even a well
tried artiste proves the truth-
fulness of the assertion. It was all
very fine. Folk songs are always a
delight. Last night's rendering of
"Madam will you Walk" will be
remembered: so will the burlesque
of it. Each item deserves the puff
of approval and for the gentleman
who presides at the piano there must
be special mention. History has been
described as the cordial for drooping
spirits. The Quaints are the entente
cordiale. Test it and you will thank
us for the tip.

SATURDAY NIGHT'S SHOW.

In view of the local shipping strike
"The Quaints" have been fortunate
in securing passages on the O.S.K. s.s.
"Arizona Maru" sailing for Shanghai
on Sunday en route to Pacific ports.
The company will therefore present
the "nai performance in the Theatre
Royal on Saturday night when they
will submit a new programme "Pot
Pourri," as originally intended.

The Glen Line Company's motor-
ship "Glenapp," which has been dis-
posed of to the Elder Dempster Com-
pany has been entirely converted and
has now entered the West African
passenger service. She is the first
Diesel-engined passenger vessel to go
into commission.

PICKPOCKET TRAPPED.

OLD MAN'S SUCCESSFUL RUSE.

An old man, with long white beard
went to the Unlong village market.
His pocket was picked in the market
place and two \$5 rolls of small coins
were stolen. He thereupon resolved
to catch the thief the following market
day. Accordingly he made up two
rolls of cash to represent rolls
of 20-cent pieces, put one
in his breast pocket and the
other in a lower pocket. In the
market place he saw a man whose
movements aroused his suspicion. He
walked up to the crowd taking good
care that the roll in his breast pocket
showed over the edge. The quarry
took the bait and gradually worked his
way towards him. The old man then
purposely raised his arm to give the
supposed thief a chance to take the
money. As he expected, the man
slipped two fingers into his pocket.
"I struck him twice," said the old
man, telling the story to Magistrate
Lindsell this morning, "and then a
constable came up and I handed him
over." The old man added that all
the people in the New Territories
were pleased over the defendant's
capture.

Inspector Cockle proved a previous
conviction against the accused who
was banished in 1912 for 10 years
after doing six weeks' jail. The
Magistrate passed sentence of four
months' hard labour.

QUEER CASE.

HAWKER'S CHARGE AGAINST
CONSTABLE.

A Chinese charged before Magistrate
Wood this morning with hawking
vaseline in Yaumatei without a licence,
admitted the offence and was fined
\$2. A second charge accused him of
having offered "tea money" to a
Chinese constable to give him a
chance.

The defendant said that the
constable asked him if he
were contributing money for
"police expenses." He replied
that he was a new hawker, and was
aware that it was customary, but he
was prepared to give 20 or 30 cents.
The constable said that that was too
little as other hawkers contributed
50 cents every week. However, he
took the money, but later changed his
mind and charged the witness.
The Magistrate gave the defendant
the benefit of the doubt and dis-
charged him on this count.
